Sustainable GUIDE TROMSØ

Easy, this is
where to make
green choices.

Map of where you can

repair

loan and borrow

buy 2nd hand

travel ecofriendly

eat sustainable

cheers from

Framtiden i
våre hender
Tromsø

Join as a volunteer contributor? The guide is based on volunteer efforts with open-source code. It's non-commercial, with one goal: make it easier for people live eco-friendly and find communities, which is what most people want! We must promote and make use of the great places and businesses in Tromsø that offer sustainable choices. "Framtiden i våre hender" = "Future in our hands"
